Dear neighbors,

As presented to the Miami Town Council in February 2020, BHP will be conducting several projects at our Miami Unit site, which is next to the Miami Avenue neighborhood and near downtown Miami.

This work will begin on June 1, 2020 and is expected to last for 7 months. While the majority of the work will be completed within BHP's property, it will involve construction that may temporarily affect nearby residents and businesses.

We are committed to minimizing any impacts to residents and have used the feedback we heard at the Town Council meeting to design our plans. This includes limiting working hours to Monday through Friday, 6:00 am to 4:00 pm. Also, we will have water trucks on site to manage dust, install noise monitoring equipment, and have onsite and external safety professionals there at all times.

BHP is committed to safe operations, protecting the environment, and being a responsible member of the community. If you have any concerns, please contact the local BHP office or our Community Concerns email.

Local Office Phone: 1 (928) 275 1715

Community Concerns Email: communityconcerns.na@bhpbilliton.com

Kind regards,

Kevin Ramsay
Manager – Arizona
