

**Town of Miami**  
**Public Hearing Regarding Use of CDBG Funds**

The Town is expected to receive approximately \$496,548 in FY2019 federal CDBG funds from the Arizona Department of Housing Regional Account (RA). The Town may also apply for \$300,000 in FY2019 CDBG funds from the State Special Projects (SSP) account. CDBG funds must be used to benefit low-income persons and areas, alleviate slum and blight or address urgent need. Miami has a population of approximately 1837 persons that HUD reports as 41% to be in low-mod income households, or 753 persons. A community income survey will be required for any project. Based on citizen input as well as local and state planning objectives several potential projects have been selected to be forwarded to the State of Arizona with a request for funding. A public hearing will be held at the regular Town Council meeting at 6:30 pm on May 28 at Miami Town Hall, 500 W. Sullivan St., Miami, AZ 85539 to discuss the potential projects. It is expected that the Town Council will select the final projects at this hearing and adopt applicable resolutions. The potential CDBG projects are named and described as follows:

1. Town wide street improvements as identified by the Town
2. Repairs and upgrades to Town Library as determined by an engineer's evaluation
3. Building demolition and rehabilitation as identified by the Town
4. Improvements/enhancements to several of the (5) local stairs as determined by an engineer's evaluation
5. Acquire and rehabilitate local YMCA building as determined by an engineer's evaluation
6. Sidewalk repairs/replacements as determined by the Town
7. Construct Amphitheater at Bullion Center per an Architect/Engineer's plan
8. Town equipment purchase as funds allows: such as a Street Sweeper, Garbage Truck, or paving equipment.
