

June 21, 2019

Dear Neighbor:

The Town of Miami is conducting a survey to determine the average income of residents within the town limits of Miami to seek funding for a Streets Improvement Project. The results of the survey will establish the percentage of low to moderate income residents. The information will determine the amount of federal grant money that can be made available for this specific project. Community Development Block Grant monies may be used for public infrastructure, community facilities, housing, public services, and economic development.

Please help! In order for the information from this survey to be valid, we must have everyone respond. All information will be kept strictly confidential, as the actual survey information regarding size of family, income and demographics will be separated from the bottom portion of the survey page. There will be no way for anyone to connect the information you supply regarding your income and ethnic status with your name and address.

Central Arizona Council of Governments (CAG) will collect and tabulate the information. CAG is bonded and conducts surveys of this nature regularly. The community will only be given grouped information, such as, "20% of the respondents are persons with disabilities".

Please answer the survey form, sign it, and submit it to the survey taker visiting your home or providing the survey at a town event location.

If you have any questions about this survey or have accessibility needs, please contact Joe Heatherly, at the Town of Miami at 928-473-4403 or Alan Urban at Central Arizona Governments, at 480-474-9300.

Thank you for your cooperation.

Sincerely:

Daryl Dalley
Mayor

For TTY access, call 711 and ask for CAG at 480-474-9300.

Town of Miami

SPECIAL INCOME SURVEY QUESTIONNAIRE

All residents within the Legal town limits.

TOTAL ANNUAL HOUSEHOLD INCOME for **the last calendar year.**
