

# Got sewer services??

**OPENED YOUR WATER ACCOUNT...YOU  
MIGHT NEED OUR NECESSARY SERVICES...  
PLEASE READ BELOW...**

The Town of Miami has provided sewer services in this community for over 90 years. We take great pride in this and are always looking for ways to contribute to a cleaner environment to live and work in.

**Our facility treats over 200,000 gallons of water daily.  
There are more than 17 miles of laid sewer pipe.\***

If you live in areas listed to the right, your water service is separate from **vital, necessary sewer service** provided by the Town of Miami. Arizona Water provides the water and we treat and clean it after it has been utilized by way of showers, washing dishes etc...**Setting up your sewer service is a must.** We also provide garbage service for residents within the Town limits.

**Come on into the Town and establish your services today!**

**Please call if you have any questions** ▶ ▶ ▶
