J. Information, discussion and possible action: Possible approval of Ordinance No. 394, declaring certain Town-owned right-of-way and real property surplus for Town use and authorizing the abandonment of a right-of-way on S. Wentworth Ave. together with parcels along Rose Road to the adjacent property owner pursuant to A.R.S. §28-7205, in exchange for the issuance of a sewer line easement in favor of the Town, authorizing the taking of all other actions necessary for the consummation of the transaction contemplated by this ordinance; and providing for severability.

Town Attorney Estes comments on the exact location of the abandonment and easement being given. Town Attorney Estes states that because we do not have the specific details of all the legal description including utilities, he drafted the ordinance to read that there will be an abandonment of the right of way and the parcels along Rose Road in exchange for the issuance of a sewer easement in favor of the Town and maintaining existing utility easements in the area to be abandoned. That means we are abandoning that but they still have to provide those utility easements. Brief discussion regarding giving away Town property without compensation. Town Attorney Estes explains the Town is gaining putting property back into the tax rolls that is currently not taxed. Mr. Freddy Rios, Arizona Water Company, Division Manager discusses his concern with this abandonment and would like to have a conversation with the Town regarding his concerns. Town Attorney Estes explains that this ordinance authorizes the beginning of the process. The area does not get abandoned until we have the details, the legal descriptions and easement details and what can and cannot be constructed in an easement. All those will be needed before the abandonment is recorded. Mrs. Sherrey Dorathy of the Miami School District comments briefly on the waterline concerns and feels the water easement is very important and will make sure it stays in the easement. Councilmember Sosh moved to approve Ordinance No. 394, declaring certain Town-owned right-of-way and real property surplus for Town use and authorizing the abandonment of a right-of-way on S. Wentworth Ave. together with parcels along Rose Road to the adjacent property owner pursuant to A.R.S. §28-7205, in exchange for the issuance of a sewer line easement in favor of the Town, authorizing the taking of all other actions necessary for the consummation of the transaction contemplated by this ordinance; and providing for severability.
