- B.** Alexis Rivera – term to expire November 2027.
- C.** Maria (Lopez) Arreguin – term to expire November 2027.

Town Attorney Estes explains that the ARPA funds were improperly associated with the wrong DUNS number. It was linked to the DUNS number for the Municipal Property Corporation (MPC) instead of the Town of Miami. The MPC went inactive in 2021. The Town was doing the reporting for the ARPA funds and this mistake was discovered. The Federal government will not let the Town just make the correction to the DUNS number. (now known as Unique Identifying Number "UIN") The proper action needed is to reactivate the MPC and file it's annual reports for the inactive years in order to use its UIN to file the ARPA funds reports. Brief discussion regarding the role of the MPC and why it was allowed to be inactive. Discussion regarding keeping the MPC active and the costs associated with keeping the MPC active. Consensus of Council is to revisit the issue of the MPC after the new year. Councilmember Black moved to appoint Karen Norris, Alexis Rivera and Maria Arreguin to the Miami Municipal Property Corporation (MPC) Board of Directors for a term of 3 years.
